ABSTRACT

Selected information sources in business and economics held by the Arkansas University library are listed. Items are organized by material type, including indexes, directories, atlases, bibliographies, dictionaries, encyclopedias, guides, handbooks, and newspapers. Separate listings of Moody's and Standard and Poor's looseleaf publications are provided, and U.S. government document citations are divided into indexes, U.S. Census, and Bureau of Labor Statistics materials. All items include call number, and library holdings are indicated for some serials. (MBR)
